Foreword

The Annual Staff is pleased to present the 1963 edition of The PINE CONE. We hope this volume helps keep alive the aspirations and visions we have built and shared with our teachers and friends during our years together at Greenwood High School.

We shall always cherish the memory of the happy hours spent here, and shall look back upon them with a great deal of pleasure in the days to come. We have grown to love the school, and the ideals, which have been imprinted on our minds, will be remembered all during our lives.
